SPRHS is a full service family health care clinic that can address all of the basic health care needs of patients including medical, dental, behavioral health and optometry services. SPRHC is a FTCA deemed facility. SPRHS accepts Medicare and Medicaid and most private health insurance plans and they also serve patients that are not covered by health insurance. Patients are charged for services on a sliding fee scale that is based on family size and income. In accordance with Federal regulations, proof of income must be provided for the patient to be eligible for any sliding fee discount on services. The clinic is open Monday - Friday.
